

Teacher Feedback

COMPULSORY – Please report to AMGA

Complete online here: <https://www.surveymonkey.com/r/AMGATeacherFeedback>

THANK YOU for taking part in the ‘Mushrooms in Schools’ pilot program! We hope both you and your students had an enjoyable experience learning about mushrooms.

Your feedback is imperative for us to learn what we can do differently for the national roll out in winter 2021 and to prove to our stakeholders that the program is successful. Your professional and detailed opinions and feedback are most welcome.

Your name: _____

School name: _____ Class: _____

1. **Tell us which lesson plans you used.** (Tick a box)

NOTE. The three compulsory lessons are in bold below.

LESSON	TICK
Lesson 1 – Survey and how to grow	
Lesson 2 – Facts about mushrooms	
Lesson 3 – History of mushrooms	
Lesson 4 – Modern farming	
Lesson 5 – Compost and life cycle	
Lesson 6 – Mushroom nutrition	
Lesson 7 – Umami, the fifth taste	
Lesson 8 – Harvesting & cooking	
Lesson 9– what you have learned	
Lesson 10 – Survey & class discussion	

2. **Tell us your professional opinion of the lesson plans provided.** (Paragraph response)
3. **Did you create any other lessons? Tell us about them** (Paragraph response)
4. **Did you use the private Facebook Group?**

COMPULSORY – Please report to AMGA

5. **What ideas do you have, for us to make this program better?** (Paragraph response)

6. **Did you have enough mushrooms for each student to cook with?** (Paragraph response)

7. **If you only had less mushroom kits (only one or two kits) do you think the program would still be successful?** (Paragraph response)

8. **Would you like to be involved again next year?**

9. **Do you think your students found this project useful?**

10. **Our aim was to get children excited about the growing process of a mushroom and encourage them to give them a try. Do you think this was achieved?**

11. **Do you have anything further you would like us to know?**

Please send survey responses to:
